

# V-Lock Strap

**Add the V-Lock Strap to New T.R.U. Ball Handles**

## **ADVANTAGES of the V-Lock Strap:**

1. Pull more bow draw weight!
2. Secure attachment prevents dropping the release out of your treestand when hunting. Never lose your release!
3. Prevents the danger of letting go of the release handle while under draw weight.
4. V-Lock design is safe and easy to install with no worry of screws loosening up!

## **TO INSTALL the V-Lock Strap:**

1. Remove the T.R.U. Ball logo stickers from your release handle.
2. Slide one V-Lock connector at a time into the groove in the handle and then pull backward toward the strap.
3. Slide the fastening tube over the ends of the V-Lock connectors to prevent separation.
4. Adjust the knot of the rope to desired length.
